

CURRICULUM VITAE

- 2014- *MSc* course on seismology at the Geophysical Department of the Eötvös University, Budapest
- 2007- *Acta Geodaetica et Geophysica*, Editor
- 2004- Medal of Honor of the Central European Initiative
- 2002 and 2004-*PhD* courses at the Teheran University
- 2001- Habilitation at the Polytechnic University, Budapest
- 2000- Széchenyi Professor Fellowship
- 2000- 2012 Head of the Seismological Observatory (Geodetic and Geophysical Research Institute of the HAS)
- 1992-Professorship at the Sopron University
- since 1991- Secretary General of the Earth Science Committee of the Central European Initiative
- 1990- 1999 Director of the Geodetic and Geophysical Research Institute of the HAS
- 1988- Humboldt Research Fellow (Stuttgart University)
- 1987- 1989 Scientific Vice-President of the Hungarian Geophysical Survey
- 1986- *DsC* Doctor of Sciences at the Hungarian Academy of Sciences
- 1985- Humboldt Research Fellow (University Bonn, Germany)
- 1982 -1987 Senior Researcher, Hungarian Eötvös Loránd Geophysical Institute
- since 1982 Humboldt Research Fellow (Technical University Darmstadt, University Bonn, Stuttgart University)
- 1975- *PhD* degree
- 1970- 1982 Researcher, Hungarian Eötvös Loránd Geophysical Institute
- 1967-68- Expert geophysicist in Mongolia
- 1966- *MSc* in Geophysics, Moscow State Lomonosow University
